

The Northwest Fraud Investigators Association was founded in 1929. NWFIA has a long history of providing an incredible learning and networking environment for law enforcement and fraud investigators alike.

When you attend our annual conference, not only are registration costs low and affordable to attend, when you attend the 2-day training, we provide a certificate with 16 CPE credits which includes 2 hours CPE ethics education. This alone is well worth the annual membership fee of \$50.00.

As a NWFIA member you will have access to and become part of an extensive roster of distinguished fraud investigators/subject matter experts from a wide range of public and private sector industries that may help you on your next case.
